

**IACMS+ECOMER : Technical overview :**

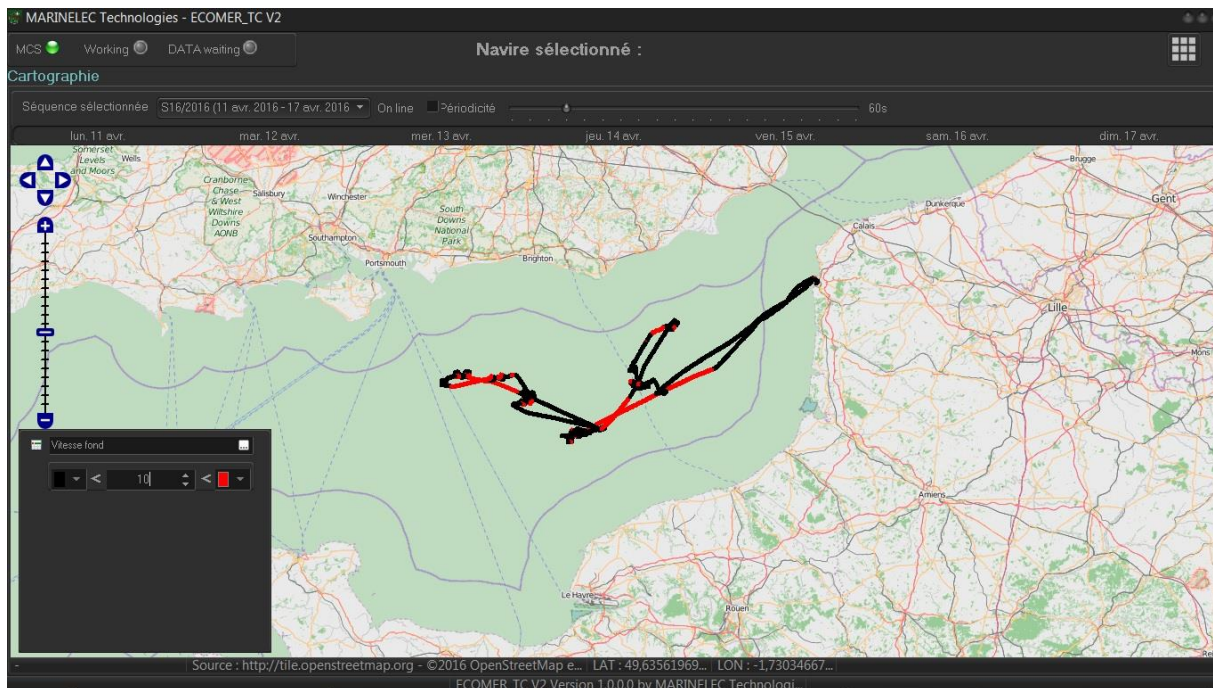

Architecture example

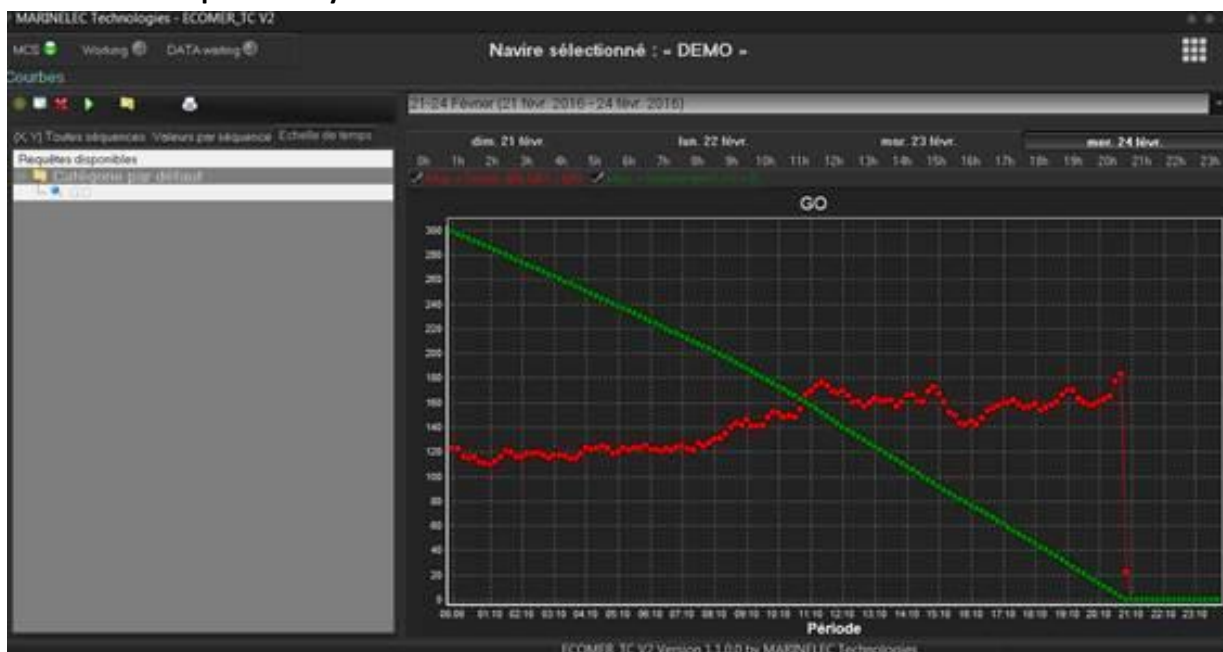

Note : by pass valve of flowmeters is of buyer's supply

**ECOMER : on-shore cloud analysis software**

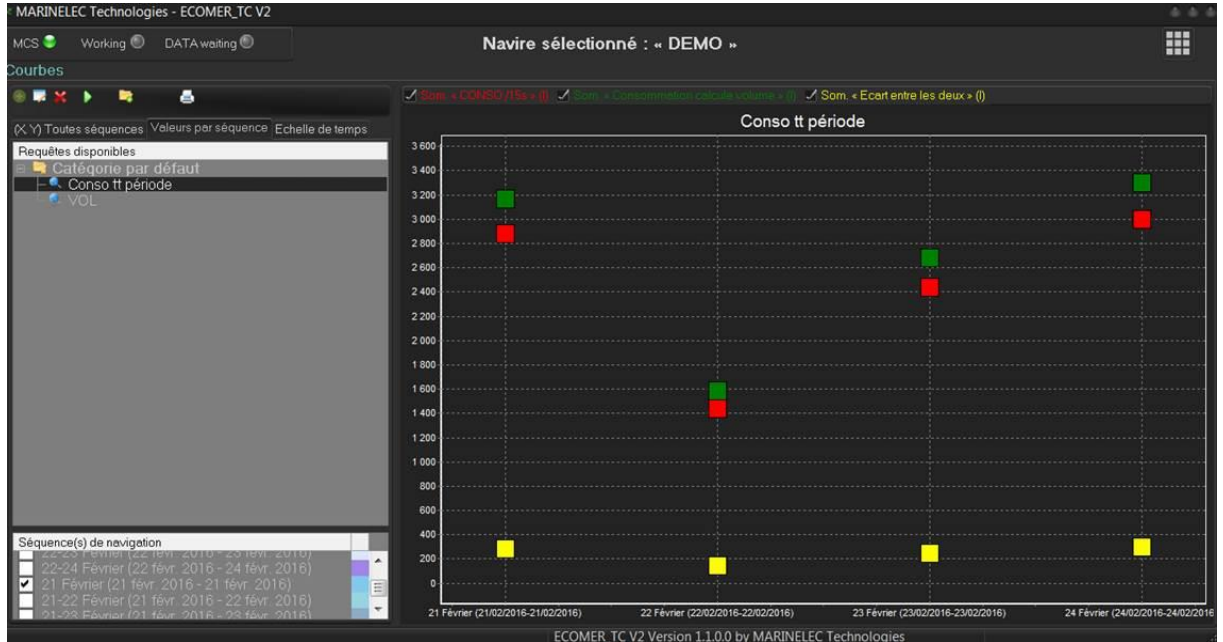

**1. GPS TRACKING :**

**2. Fuel Oil consumption Analysis :**

**3. Fuel Oil consumption calculated from the tank gauges (green) versus from the flowmeters (red). Difference in Yellow to show fuel loss**

**4. Fuel Oil consumption versus vessel speed:**
